the WEAVERS

TRIBUTE TO AMERICA'S PIONEERING FOLK QUARTET

David Bernz • James Durst • Martha Sandefer • Mark Murphy

If I Had a Hammer, Midnight Special, The Sloop John B, Goodnight Irene, This Land is Your Land, Wimoweh, Kisses Sweeter Than Wine, Michael Row the Boat Ashore. Songs such as these have become a part of our collective consciousness, but few recall that they were written or first popularized by The Weavers. The seminal link between an obscure past and American popular culture, The Weavers introduced a stream of authenticity into the current of popular music that endures to this day. Faithful to their original arrangements, this rousing two-act concert program celebrates their timeless music and timely message.
